Literacy & Writer's Workshop Activities

Monday, 6 April

Time: 45 - 60 minutes

Learning Goal:

Students will be able to:

Identify some common sight words and sort them according to the amount of syllables

Materials Required:

- Sight words (printed or written out)
- "Syllables" instructions (hard or soft copy)
- Variety of writing instruments (such as markers, crayons or pencils)
- Scrap paper or print the template

Instructions for Learning:

During Term 1 Students learned about sight words. Sight words are some of the most common words we use when learning to read and write.

- Read each of the sight words individually with Student.

picture	from	like
many	each	animal
different	again	long
into	America	follow

OPTIONAL Additional sight words: **such, because, study, also, still, around**

- *This can be done a number of times.*
- Discuss each word with Student:
 - Do you know this word?
 - Where have you seen or heard this word?
 - With what letters does this word start with?
 - Can you spell the word?
 - Can you use the word in a sentence?
- Read the instruction to "Syllables" to Student to make sure they are able to complete the activity:

Syllables

Directions: Sort this week's words by their number of syllables. Clap the words if you need help with syllables.

Syllable

Word	#	Word	#

Tuesday, 7 April

Time: 45 - 60 minutes

Learning Goal:

Students will be able to:
Identify some common sight words by playing a game

Materials Required:

- "Snakes and Ladders" game printed
- Dice and place markers such as coloured buttons or small toys

Instructions for Learning:

During Term 1 Students learned about sight words. Sight words are some of the most common words we use when learning to read and write.

- Read the instructions with Students to ensure everyone playing understands how to play the game.

Players: 2-6

Instructions: All players begin on the 'start' box at the bottom of the game.

Roll one die and move your object to the appropriate box. Read each word you move over as you go. If you don't read each word, you must go back to where you started and the next player takes their turn. If a player doesn't know a word he should use his reading strategies. Players can ask other players for help. Each player must find their way to the 'finish' box at the top of the game by reading the words correctly. Avoid landing on the snake heads and sliding down and try to climb ahead by moving up the ladders.

Variation: When landing on a word, players can put that word into a sentence as well as reading it.

- Play a game (or two) of the sight word "Snakes and Ladders"

Fry's First 100 Words Snakes and Ladders

Game 3

so	them	these	Finish
↑ some	her	would	make
like	him	into	time
↑ has	look	two	more
write	go	see	number
↑ no	way	could	people
Start	than	first	water

- Enjoy!

Wednesday, 8 April

Time: 45 - 60 minutes

Learning Goal:

Students will be able to:
Read and then rewrite the sentences adding the correct capital letters and punctuation where needed

Materials Required:

- "The field trip" sentences needing correction (hard or soft copy)
- Scrap paper
- Writing instruments (such a pen or pencil)

Instructions for Learning:

During Term 1, Students learned how and when to use capital letters and different punctuation marks (such as full stops)

- Read each sentence individually along with Students.
- Rewrite each of the sentences correctly by adding capital letters and the relevant punctuation.

The Field Trip

1. ben and mel are going on a field trip

2. they are going to the farm

3. they are very excited

4. ben wants to see the cows

5. mel wants to see the horses

I used capital letters.

I used spaces.

I used punctuation.

OPTIONAL Additional "Recess" resource:

Recess

what can we play at recess we can play on
the slide we can play on the swing we
can play tag i will play tag with mike

I used capital letters.

I used spaces.

I used punctuation.

Thursday, 9 April

Time: 45 - 60 minutes

Materials Required:

- Salt, flour, water, food colouring

Learning Goal:

JUST FOR FUN!

Instructions for Learning:

JUST FOR FUN!

- Collect all the ingredients from the list
- Follow the instructions to make the "Taste safe Paint" together with Student.
- Feel free to add flavours, colours or textures to the different coloured paints.

Have fun painting together!

+Mathematics Activities

Monday, 6 April

Time: 60 minutes

Learning Goal:

Students will be able to identify the greatest and smallest numbers in a set of 3-digit numbers.

Materials Required:

- [How to play Count Down video](#)
- 4 'large number' cards with the numbers 25, 50, 75 and 100 written on them
- A set of cards with the digits 1 to 10 written on them, you will need at least two cards for each number
- Marker
- Dice or cards numbered 0 - 9

Instructions for Learning:

- This game can be played with any number of players.
- The game is called: Count Down!
- How to play:
 - **Step 1:** Set out 4 large number cards (25, 50, 75 and 100) face down and mix them up.
 - **Step 2:** Do the same with the 1 – 10 cards, making sure you have at least 2 cards for each number.
 - **Step 3:** Players take it in turns to select one of the big number cards or one of the small number cards, until there are 6 cards laid out all together.
 - **Step 4:** Someone who is playing the game needs to generate a 3-digit number. This can be by throwing a dice, or selecting cards from a pile of 0 to 9 cards.
 - **Step 5:** Once the number has been generated, turn over the six cards and players have to try and get to that total using any of the six number cards and addition or subtraction operations.
- Note: Each card can only be used once and the winner is the first person to reach the total, or the player who is closest after a set amount of time.

- The game can be adapted for students who are struggling, by choosing the numbers on the cards carefully and having them aiming to reach a 2-digit number, rather than a 3-digit number.
- To confirm these instructions, watch the attached video on how to play Count Down! ~ https://youtu.be/RZgkr5_Xn58

Tuesday, 7 April

Time: 60 minutes

Learning Goal:

Students will be able to use their knowledge of multiplication strategies to multiply single digit numbers by 1, 2, 3, 4, 5 and 10.

Materials Required:

- Sheets of paper
- Marker or pencil

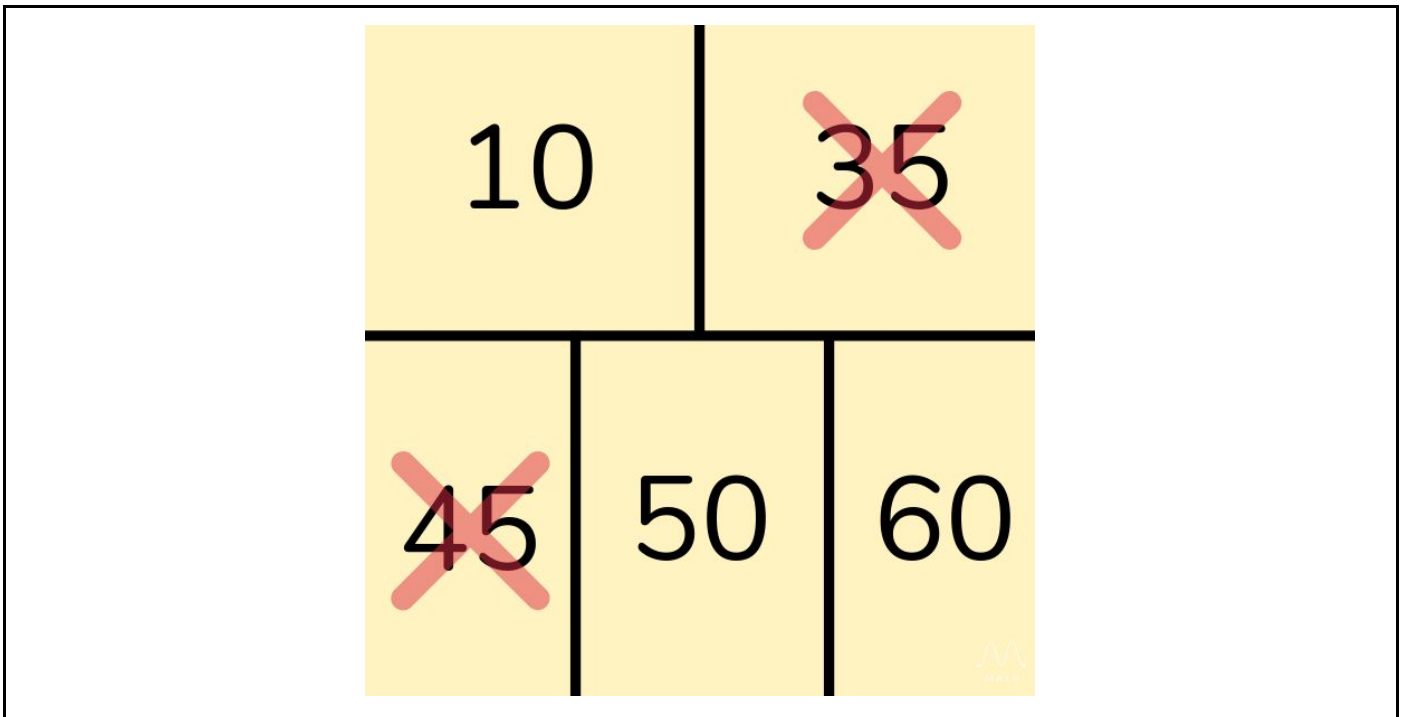

Instructions for Learning:

- Bingo is a fun game that can be enjoyed by people of all ages, and this version puts a mathematical twist on this classic game for students and their family to enjoy.

How to play:

- **Step 1:** In this mathematical version of the game, all players write down 5 numbers, which are multiples of a given times table on their sheet of paper. For example: if they were doing the 5 times table, they might write 10, 35, 45, 50 and 60.
- **Step 2:** A third person can lead the game and call out multiplication questions from the chosen times table, or they can be written on cards, jumbled up in a pile for players to take turns picking and reading out.
- **Step 3:** If the player has an answer to the question on their bingo board, they can cross it out.
- First person to cross out all their numbers is the winner.
- Repeat with the multiples of 2, 3, 4, 5 and 10.

Example:

Wednesday, 8 April

Time: 60 minutes	Materials Required: <ul style="list-style-type: none"> • Cards numbered 1 to 10 (these can be made using a sheet of paper)
Learning Goal: Students will be able to complete mental math strategies using the different operations of addition, subtraction and multiplication.	

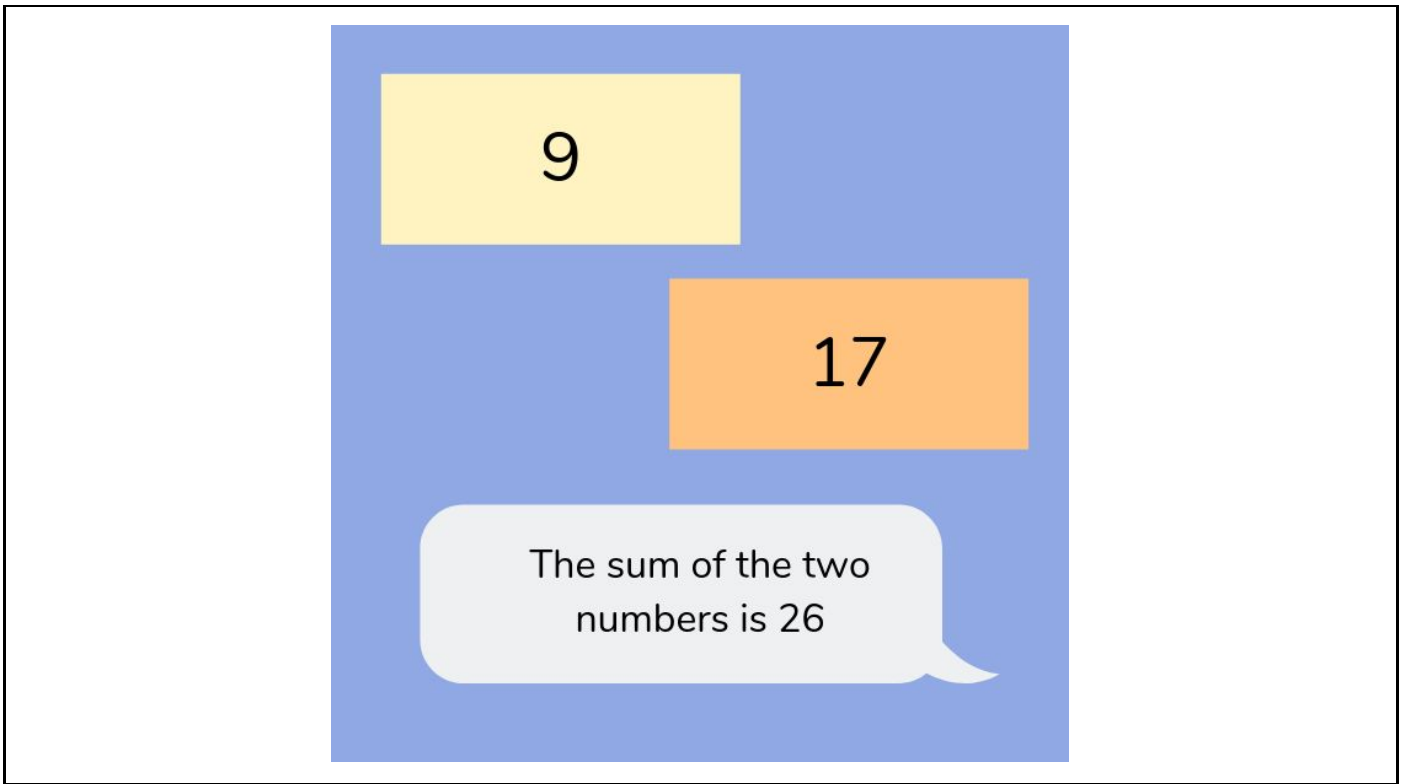

Instructions for Learning:

- This simple game is all about bringing together verbalisation and maths. It is called SALUTE!
- Students will need one other person to play this game with them.

How to play:

- **Step 1:** The game starts with the two players facing each other. Each person selects a numbered card and sticks it on their forehead, so the other player can see.
- **Step 2:** The person leading the game gives a statement, such as what is the sum of the two numbers ($9 + 6$), the difference between the two ($9 - 6$) or the product of the two (9×6) etc..... This is known as the rule.
- **Step 3:** Each player has to work out what number is on their own card, based on what is written on the other person's head and the rule given.

Example:

Thursday, 9 April	
Time: Not specified	Materials Required: <ul style="list-style-type: none"> As per chosen activity
Learning Goal:	
Instructions for Learning: <ul style="list-style-type: none"> Parents and students can choose one or more of these fun and engaging activities to be played independently or as a family. 	

🗨️ Kiswahili Activities (KE)

Monday, 6 April

Muda: Dakika 45

Lengo la Somo:

Mwanafunzi aweze kutambua maneno yanayoashiria vitendo na kuyatumia katika sentensi.

Vifaa Vinavyohitajika:

- Picha mbalimbali
- Penseli
- Daftari

Maagizo ya Somo:

- Anza kwa kutazama picha hizi kwa makini.
- Kila picha ina nafasi chini yake, andika chochote unachofikiri kinaendelea katika kila picha.

Huyu ni Karim. Karimi anafanya nini?

Hawa ni wanafunzi wanne. Wanafunzi

hawa wanafanya nini? _____

Huyu ni Tina. Anafanya nini?

Jade na dada yake wanafanya nini? _____

Huyu ni rafiki yangu Yunis.
Yunis anafanya nini?_____

Hawa ni wasichana wa shule yetu.
Wanafanya nini?_____

Zoezi la Kuigiza vitendo.

Katika sehemu hii utasaidiwa na mzazi au mlezi wako.
Atakutajia vitendo vifuatavyo nawe utafanya hivyo kwa kuigiza.
Uko tayari?

1. Simama
2. Tembea
3. Cheka.
4. Ruka.
5. Andika.
6. Fua nguo.
7. Funga mlango.
8. Piga mswaki.
9. Soma.
10. Vaa nguo.

Zoezi la kuandika.

Jaza mapengo kwa kutumia neno moja kati ya yale uliyopewa.

1. Baba alitu_____nyumbani kwetu.(soma, tembelea)
2. Mwalimu alitu_____Kiswahili.(rusha, fundisha)
3. Ami ana _____shambani.(lima, osha)

4. Halati ata_____nywele.(fagia, chana).

5. Binamu ali_____kucha. (panda, kata).

Kazi ya hiari.

Tumia picha zifuatazo kutunga sentensi fupi ili kuonyesha kitendo kinachoendelea.

Mfano.

Paka **analala**.

shutterstock.com • 1253500348

Mkulima_____.

Msichana_____

Farasi_____

Tuesday, 7 April

Muda: Dakika 45

Lengo la Somo:

Mwanafunzi aweze kusoma hadithi na kujibu maswali.

Vifaa Vinavyohitajika:

- Kifungu cha hadithi.
- Penseli
- Daftari.

Maagizo ya Somo:

- Katika kipindi hiki mwanafunzi atasoma kifungu cha hadithi.
- Ni kifungu kuhusu virusi vya Korona na jinsi ya kujikinga.

Tuepuke Virusi vya Korona.

Virusi vya Korona huleta ugonjwa wa COVID-19. Watu wanaweza kupata Virusi vya Corona kutoka kwa watu walioambukizwa. Virusi vinaweza kusambaa kupitia maji maji kutoka kwenye pua au mdomo wa aliyeathirika. Iwapo mtu anagusa maji maji kama kamasi, mate na kikohozi cha mtu aliye na virusi na kisha kujigusa mdomo, macho na pua anaweza kupata virusi vya Korona.

Dalili za Korona ni zipi?

Dalili kuu za Korona ni pamoja na Homa kali, Uchovu na Kikohozi kikavu na zinatokea taratibu. Dalili kubwa na inayoweza kutia hofu, ni mtu kukosa pumzi.

Ninaweza kujikinga vipi na Virusi vya Korona?

1. Nawa vizuri na kila wakati mikono yako kwa maji ya sabuni au dawa za kuuu vijijidudu kwa angalau sekunde 20.

2. Kaa umbali wa angalau hatua mbili (2) kutoka mtu anayepiga chafya au kukohoa.

3. Epuka kushika macho, pua na mdomo kwa mikono isiyo safi kwa sababu mikono hushika sehemu

nyingi na ni rahisi kubeba virusi.

4. Hakikisha wewe, na walio karibu yako wanazingatia ustaarabu wa kuzuia pua na mdomo wakati wa kukohoa au kupiga chafya.

5. Epuka kuwa sehemu yenye msongamano, kama vyombo vya usafiri, maduka na maeneo yenye yenye mgandamizo wa hewa.

Virusi vya Korona ni Hatari!. Tuviepuke!.

Maswali.

1. Mgonjwa wa Korona anaonyesha dalili gani?

_____ , _____

2. Ili kuepuka Korona tunafaa kufanya nini?

a) _____

b) _____

c) _____

--

Wednesday, 8 April

Muda: Dakika 45

Lengo la Somo:

Mwanafunzi aweze kusikiliza kwa makini hadithi ikisimuliwa.

Vifaa Vinvyohitajika:

- [Video_Panya wa mjini na Panya wa Kijijini. https://www.youtube.com/watch?v=zdO_R9hBRQw](https://www.youtube.com/watch?v=zdO_R9hBRQw)
- Daftari
- Penseli.

Maagizo ya Somo:

- Katika kipindi hiki mwanafunzi atasikiliza hadithi ya [Panya wa mjini na Panya wa Kijijini](#).

Baada ya kusikiliza hadithi andika majibu ya maswali haya.

1. Je panya wa mjini aliishi wapi? _____
2. Panya wa mjini hakupenda maisha ya kijijini kwa nini? _____
3. Ni vyakula gani vilivyopatikana mjini? _____, _____ na _____
4. Ni jambo lipi lilimshtua panya wa kijijini alipoenda mjini? _____

5. Hadithi hii inatufundisha nini?

Thursday, 9 April

Muda: Dakika 45

Lengo la Somo:

Vifaa Vinavyohitajika:

- Usaidizi kutoka kwa watu wa familia.

Mwanafunzi aweze kufurahia matumizi ya Kiswahili katika kukabili masuala ibuka kwa mfano **janga la Korona**.

- Simu ya kurekodi video.

Maagizo ya Somo:

- Kipindi hiki tutakitumia kufurahia Kiswahili katika kuhamasisha(creating awareness) kuhusu janga la Korona.
- Mwanafunzi atashirikiana na watu wengine wa familia katika kutunga wimbo mfupi, mchezo mfupi wa kuigiza, shairi au ubeti mmoja wa 'rap music' kwa Kiswahili.
- Ajirekodi pamoja na watu wa familia akiwasilisha ujumbe wake.

Mambo ya kuzingatia.

1. Video iwe kati ya dakika moja na dakika mbili (1-2 minutes in length)
2. Ujumbe mkuu uwe ni jinsi ya kujikinga dhidi ya Korona. Kwa mfano kunawa mikono kila mara, kupiga chafya na kukohoa kwa njia inayofaa, kutowakaribia watu wengi nk.
3. Video ihusishe angalu mtu mmoja wa familia yaani mwanafunzi asirekodiwe akiwa peke yake.
4. Video itatumwa kwa mwalimu anayehusika na Kiswahili ili kuikagua na hata kuisambaza iwapo itakuwa ya kiwango cha juu.

Kila la heri!!!!!!!

Movement Activities

Monday, 6 April

Time: 20-30 min

Learning Goal:

Students will compete in a minute to win it competition with family members

Students will eat a cookie without using their hands

Students will pick up macaroni with a piece of spaghetti without their hands

Students will toss a paper plate and see how many they can get in

Materials Required:

- Any cookie (round cookie - Oreo)
- Macaroni - 5 pieces per person
- Spaghetti - 1 per person
- Toilet roll / Paper towel roll
- Paper plates
- Scissor
- Tape
- Family members
- Stopwatch
- Paper
- Pen

Instructions for Learning:

- Students will play minute to win it:

EAT THE COOKIE WITH NO HANDS

- Place a cookie on your forehead and try to eat it without hands.
- The person who can catch the cookie in their mouth in the shortest time wins.
- Note this was extremely difficult with an Oreo cookie which is what we used! Try it with a smaller cookie maybe animal cracker

THREAD THE PASTA

- You will need spaghetti noodles and penne pasta

- Lay out some penne on a table and give each child a spaghetti noodle to place in their mouth.
- Winner is the one who can thread the most penne pasta in the shortest time only using their mouth.

PAPER PLATE TOSS

- Take a paper towel roll and tape to the floor. Cut out inner circles from various paper plate sizes. Do a paper plate toss.
- How many can you get in in how many seconds/minutes? Make it more challenging by scooting further back!

Tuesday, 7 April

Time: 20-30 min

Learning Goal:

Students will continue with minute to win it game

Students will need to keep the marble on the ramp for as long as possible

Students will need to bounce the balls so that it falls on top of the containers

Students will walk through an obstacle course without touching / breaking the tape

Materials Required:

- **Plastic spoon**
- **Marble / any small round object**
- **Cardboard / shoe box / tray / cutting board**
- **Paper tubes / rolls - different heights / containers**
- **Tape**
- **Foil**
- **Light ball / ping pong balls / Foil balls / Balls made out of plastic**
- **Stopwatch**
- **Family members**

Instructions for Learning:

- Minute to win in competition:

ROLL THE MARBLE

- You will need a plastic spoon and marble
- A slanted base, you can use use a slanted long cardboard box
- Use the back of the spoon to keep the marble from rolling off.
- Winner is the one who can keep the marble on the ramp the longest time.

PING PONG BALL TOSS

- Use varying paper tubes in heights and use painter's tape to tape down the floor or you can even insert them on top of a cardboard box and hot glue down. Place foil over the opening and ping pong balls on top so they don't fall down.
- Tip: If you have large colored plastic balls you don't need the foil. Use a ball or make your own (we crumpled a piece of leftover foil!) to knock down the balls. Or if you have a Nerf Gun, you can use that too.

CREATE AN OBSTACLE COURSE - Using Crepe Paper

- Take a roll of crepe paper and tape lines across a hallway wall. Zig the lines high and low. Encourage kids to walk through without breaking the crepe paper!

Wednesday, 8 April

Time: 20-30 min

Learning Goal:

Materials Required:

- Paper tubes / any long round shape
- Straws
- Light balls / Ping pong balls

Students will continue with minute to win it game

Students will blow a ping pong ball as fast as they can

Students will stuck the paper cups as high as they can in a minute

Students will balance as many dices as possible on a popsicle stick in a minute

- **Paper cups / plastic cups**
- **Popsicle sticks - 1 per person**
- **Dices / marshmallows / any flat porridge / biscuits**
- **Stopwatch**
- **Family members**

Instructions for Learning:

BALL STRAW BLOWER RACE

- Take two paper tubes and tape to the floor. Give each kid a straw and do a ping pong ball race!
- If the ping pong is too easy to blow, use a heavier ball or object. Test out different ones – the experimentation in creating different variations of games is also fun!

PAPER CUP STACKING

- Recycle and reuse paper cups into a fun stacking game. How high can you go?! Get the little ones to help bring and stack cups too!

BALANCE THE DIE

- You will need at least 8-10 dice
- Popsicle sticks (the slightly wider ones are great)
- Winner is the one who can balance the most die in the shortest time.

Thursday, 9 April

Time: 20-30 min

Learning Goal:

Students will continue with minute to win it game

Students will move five cotton balls from one bowl to another in one minute

Materials Required:

- **Bowls**
- **Cotton wool**
- **Round objects / balls / ping pong balls**
- **Tissue box / small box**
- **String**
- **Spoons**

Students will move a round object from one bowl to another with a spoon in their mouth

Students will shake balls out of a box by tying it to their body

Instructions for Learning:

NOSE DIVE

- The secret weapon in this game? Petroleum jelly dabbed on the nose. Using their noses (no hands allowed), players must move five cotton balls from one bowl to another, before the minute is up.

SCOOP IT UP

- Move six ping pong balls from one bowl to another, using only a spoon. Again, like some of the other minute to win it games, the kids can't use their hands. Instead, each child will use a spoon—in their mouth

SHAKE THE BALLS

- You will need an empty tissue box paper, panty hose, ping pong balls
- Create two holes on either inside ends of the tissue box, thread your panty hose through and tie to a kid's waist with the open part of the tissue box

opening facing out. Stuff ping pong balls inside until full (remember the count as each team will need the same).

- Shake as many balls out in 60 seconds!
- Winner is the one who shakes the most balls out in the shortest amount of time.

🚧 Exploration Activities

Monday, 6 April

Time: 45 mins

Learning Goal: Students & guardians will

- Set a vision for their 21 day lockdown challenge

Materials Required:

- Survival Guide
<https://bit.ly/2JvWmLv>

This survival guide was put together by our superstar dean of instruction at Midrand called Tsholo. Please contact Tsholo (tmoyo@novapioneer.com) if you have any questions about this survival guide or just want to give him your appreciation.

Instructions for Learning:

21 DAY LOCKDOWN SURVIVAL KIT

Connectedness

The next few weeks are probably going to feel long and stressful, and they might even lead to a little cabin fever here and there, but we have the solution for that.

The next few weeks are a great opportunity to not only spend time with your children, but actually get to know them and help them develop their EQ a little bit more daily.

This survival kit has a few daily activities and ideas that can help with connecting with your child and also remind them of our culture principles while their home.

Happy connecting!

Day 1

Setting a Vision

Setting boundaries and parameters for the home is very important. The next 21 days will require the whole family to come together and make the stay at home as palatable as possible for everyone involved **(not just parents)**. Start by setting the vision for the whole family together. Ask questions like:

- What does a happy space look like for you?
(1 word)
- How should we treat each other?
- What does our home look during these 21 days?

Use the list of words to create one common statement for your families vision
eg. We commit to...

Tuesday, 7 April

Time: 45 mins

Learning Goal: Students & guardians will

- Set a goal for their 21 day lockdown challenge

Materials Required:

- Survival Guide
<https://bit.ly/2JvWmLv>

This survival guide was put together by our superstar dean of instruction at Midrand called Tsholo. Please contact Tsholo (tmoyo@novapioneer.com) if you have any questions about this survival guide.

Instructions for Learning:

Day 1

Setting Goals

Now the next few weeks might feel like they are dragging for the whole family, but not if each person uses this time to set a goal for themselves that they would like to reach by the end of the lockdown. This is also an opportunity to develop your child's interests and also assist them in obtaining new, healthy habits.

Remember, it takes 21 days to start a new habit

Here are a few things to take into consideration:

- The goal needs to be attainable in 3 weeks and require effort to obtain.
- The whole family needs to set a specific goal (losing weight, writing, learning how to cook etc)
- It is important to keep at it! DO NOT GIVE UP!
- Write everyone's goal and put it on the fridge so that the whole family can refer back to it

#ALWAYSGROWING

Wednesday, 8 April

Time: 45 mins

Learning Goal: Students & guardians will

- Choose a daily activity from the lockdown challenge booklet
- Continue with the lockdown challenge throughout the holidays

Materials Required:

- Survival Guide
<https://bit.ly/2JvWmLv>

This survival guide was put together by our superstar dean of instruction at Midrand called Tsholo. Please contact Tsholo (tmoyo@novapioneer.com) if you have any questions about this survival guide.

Instructions for Learning:

Daily Activities

Creating daily activities for you and your child/ren will set a tone of consistency in the household and also allow kids to start taking ownership of certain tasks that will empower them a bit more. Your options are

- Morning Meeting
- Jar fillers / Shout outs
- Behaviour Management Chart
- Hugging Vouchers
- Family Recipe Book
- Dinner Talk

Commit to one daily activity.

Themed Days

Try these activities daily to bring joy and fun around the household and set a routine that will keep the whole family engaged and entertained while being reflective.

Commit to one themed day per week.

For all the goodies, please see this link: <https://bit.ly/2JvWmLv>

Thursday, 9 April

Time: 45 mins

Learning Goal: Students & guardians will

- Choose a daily activity from the lockdown challenge booklet
- Continue with the lockdown challenge throughout the holidays

Materials Required:

- Survival Guide
<https://bit.ly/2JvWmLv>

This survival guide was put together by our superstar dean of instruction at Midrand called Tsholo. Please contact Tsholo (tmoyo@novapioneer.com) if you

	have any questions about this survival guide.

Instructions for Learning:

- See instructions from Wednesday- choose another activity from the lockdown challenge booklet!

Environmental Studies & CRE Activities

Monday, 6 April

Environmental Studies: Water

Time: 45 minutes

Materials Required:

- N/A

Learning Goal:

Students will:

- Identify ways they can re-use water in the home

Instructions for Learning:

- Ask your child to remind you about what they learned about re-using water.
- Ask: **What is water that we could re-use?**
 - Old bath water, water from rinsing vegetables, old dish water
- Ask: **What could we re-use this water for?**
 - Watering plants (if not soapy), flushing toilets, etc.
- Have your child go around the home and identify water that could be re-used, and identify ways to re-use the water.

Tuesday, 7 April

CRE: Easter

Time: 45 minutes

Materials Required:

- [The Easter Story \(YouTube\) - Optional](#)
- Bible
- Colouring materials
- Scissors

Learning Goal:

Students will:

- Listen to the Easter story
- Complete an Easter word activity
- Create a cross with an Easter message

Instructions for Learning:

- Read the Easter story below, or watch the Easter story video.

Scripture: Mark 16:1-8; John 20:1-18

Early in the morning Mary Magdalene and two other women walked to the edge of town. They were very sad because Jesus had died on a cross. They were going to the place where He had been buried.

As the women walked, they talked to each other. "Who will roll the heavy stone from the door of the tomb?" one of the women asked. "We are not strong enough to move such a large stone."

When the women arrived at the tomb, the big heavy stone was already rolled away from the door. They looked inside, but Jesus was not in the tomb. The women were afraid! A young man

dressed in a white robe said: "Do not be afraid. Jesus is not here. Go and tell Jesus' helpers that He is alive."

Mary and the other women ran from the tomb. Mary found two of Jesus' helpers-Peter and John. Mary said: "Peter! John! Jesus is not in the tomb! I don't know where they have taken Him."

Peter and John could hardly believe what Mary was saying. They hurried back to the tomb with Mary. They looked inside, but they did not see Jesus anywhere! Jesus was not there. Peter and John went home. But Mary stayed nearby crying.

"Why are you crying?" she heard someone ask. Mary did not know that the man speaking to her was Jesus. He spoke her name. "Mary," He said. Then, Mary knew that the man was Jesus! Jesus was standing right there-close enough to touch. Jesus told Mary to go tell His helpers that she had seen Him. Mary rushed to tell Jesus' helpers that she had seen Jesus and that He was alive!

- Explain what we learn from this story:
 - **LOVE:** Jesus loved the world so much that He laid down His life for us. He would not have come to Earth unless he loved us so much. While we may do things that make His heart sad, there is nothing we can do to lose His love. His love is greater than any other love we know, and He even loves us more than anyone else.
 - **SACRIFICE:** While Jesus could have come to Earth to live as a king, he took on a simple life. He came as a baby, and He didn't even have clothes. The entire reason that Jesus came here is for us. He came to die on the cross for us because He loved us so much.
 - **FRIENDSHIP:** Jesus was the ultimate friend. He loved his own friends even when they were horribly mean to Him. When they lied about Him and hurt Him, He still loved them. Jesus also spent lots of time with them. Before Jesus died on the cross, one of the most important things He did was eat with His special group of friends called the disciples.
 - **REDEMPTION:** The purpose of Jesus coming to die on the cross for us is so that we could live with Him in heaven. He didn't have to come. He didn't have to die. He did it because He loves us and wants to spend eternity with us.
- Have your child complete the fill-in-the-blank Easter worksheet (see next page).
- Have your child cut a cross from paper and decorate it with an Easter message (see image below)

What Happened on Good Friday?

Jesus died on the cross to pay for my sins.

This means that I can pray and ask God to forgive my sins.

What are sins? A sin is anything I do that doesn't please God.
Circle each picture that shows a sin.

stealing

talking back to my parents

sharing

lying

Why did God send Jesus to die for our sins? Because he loves us.
Complete the verses about God's love for us.

love

Son

world

God _____d the _____ so much that he gave his only _____,

so that everyone who believes in him may not die but have eternal life. John 3:16

God showed his _____ for us by sending his only _____ into the _____,

so that we might have life through him. 1 John 4:9

He _____d us and sent his _____ to be the means by which our sins are

forgiven. 1 John 4:10

Wednesday, 8 April

Environmental Studies: Water

Time: 45 minutes

Learning Goal:

Materials Required:

- Drawing paper
- Drawing materials (crayons,

Students will: <ul style="list-style-type: none"> • Create a list of ways they will re-use water in the home • Illustrate their list 	coloured pencils, markers, etc)
Instructions for Learning: <ul style="list-style-type: none"> • Have your child remind you of some of the ways they said they can re-use water in the home. • Have your child choose 1-2 of the ways that they will re-use water in the home. • Have your child write a sentence about this, and draw a picture. <ul style="list-style-type: none"> ◦ <i>Ex): I will re-use water by _____.</i> 	

Thursday, 9 April <i>Fun Day</i>	
Time: 45 minutes	Materials Required: <ul style="list-style-type: none"> • Colouring materials
Learning Goal: Students will: <ul style="list-style-type: none"> • Participate in a Drawing Challenge! 	
Instructions for Learning: <ul style="list-style-type: none"> • Draw a picture using one of the following prompts: <ul style="list-style-type: none"> ◦ Draw yourself doing your favourite thing, in your favourite place, with your favourite people! ◦ If you could have any animal pet, what would it be and what would its name be? Draw it! ◦ Draw your favourite animal doing something a human does! Brushing their teeth, driving a car, playing an instrument - anything works! ◦ There are millions of fish in the sea. Create your own type of fish! Give it a name and create a home in the sea for your new type of fish!
