

Dear Parents

This letter is to inform parents of the approximate school fees for 2019 and to provide various payment plans available.

The fee structure below is an approximation and subject to a between 7% and 9% increase. As an independent school, Nova Pioneer Boksburg is not entitled to government subsidies and as such all costs are incurred by the school to be solely funded by income from school fees.

Nova Pioneer will continue to endeavour to quote a simple and transparent fee structure that is free from too many additional levies which are commonplace in the independent school market. As a school our fees are limited to Tuition Fee, IT Levy and the General Levy.
