FIND YOUR NOVA

“Too many schools are places where year after year, students learn that they “can’t”. I’m not an artist, I’m not a singer, I can’t do science.

At Nova Pioneer, we strive to be a community where students discover that they ‘can’. They develop the deep, unshakable knowledge that they are fundamentally capable of learning and growing in anything they dedicate themselves to. They can be doctors or entrepreneurs.

Artists or athletes. Organisers and problem solvers. That they are fundamentally capable to learn and grow; and to take on the world as optimistic and self-assured innovators and leaders.

At Nova Pioneer, we believe that every young person has the potential to shape the world that they live in.... to find their Nova”

Chinezi Chijioke, Founder and CEO

ABOUT NOVA PIONEER

Independent school group | 15 schools | South African and Kenya | Cambridge International accredited

Nova Pioneer Education Group is a Pan-African independent school network that builds and operates world-class, affordable schools, offering students grades from preschool through to Senior School. Our schools’ unique learning approach equips students with the skills to problem-solve, to innovate, to lead and to prepare them to be globally competitive; ready to go forth and create the world that they envision, and not simply exist in the one they find themselves in now.

Positive Pan-African perspective

Our students are encouraged to build a sense of pride in their Pan-African identities.

World-class facilities

We believe students should be able to learn in well-resourced environments to help them achieve their best.

Leaders with good character

Our focus includes behaviour, academic performance and social and emotional well-being.

Compassionate, like-minded community

We are a compassionate community where students and teachers care deeply about each other.

Student voice is emphasised

We create a culture where students feel part of shaping their own learning experience.

Exceptional teaching

Our teachers are committed to guiding students with care, encouragement and discipline.

Post school success

Our Post School Success Team aims to equip students with practical tools for preparation in life after school.

Academic excellence

We provide rigorous academic experiences, creating opportunities to develop critical skills and the capacity to innovate.
