

NP FLEX ENRICHED EXAM CENTRE

Nova Pioneer Ormonde and Midrand are registered Cambridge Examination Centres that provide, when space allows and on a first come-first served basis, a well-equipped, stress free space to accommodate students for the writing of examinations.

In addition to writing exams at Nova Pioneer, we offer a range of opt-in services from subject-specific advisory services to focused exam prep sessions. Students can customise their experience by selecting from an array of support services tailored to their needs. Pricing is set on a per-service basis, allowing students to pick and pay only for what they need.

Additional opt-in services available at a fee:
